

PEDAL BOAT1

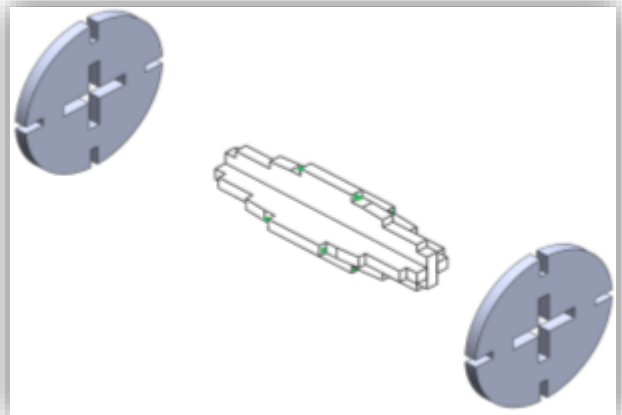

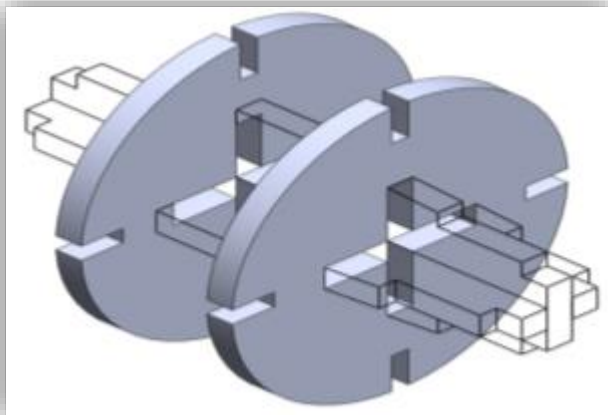

Part 1:

Please apply glue on the areas marked green, then connect both parts as shown in the picture

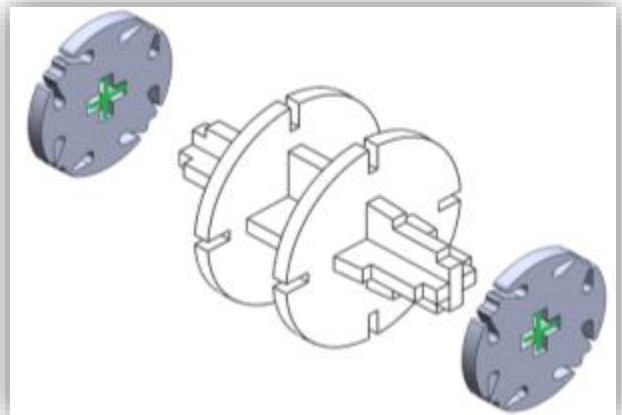

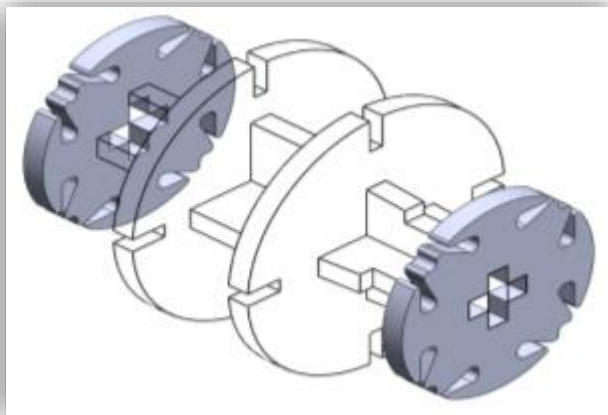

Part 2:

Please apply glue on the areas marked green, insert 2 large wheels (one from each side)

Part 3:

Please apply glue on the areas marked green. Insert 2 small circles

Part 4:

Please apply glue on the areas marked green

PLEASE NOTICE: the pedals are not made of wood, therefore are very gentle, make sure NOT to apply pressure while assembling the model. If pedals are folded they're unusable.
